The incumbent will also serve as an internal resource for other SJGH departments, such as Patient Financial Services, General Accounting, and Patient Accounting regarding FQHC financial operations.

SAN JOAQUIN COUNTY CLINICS

In July of 2014 the Federal Health Resources and Services Administration (HRSA) issued a Notice of Federally Qualified Health Center Look-A-Like (FQHC-LAL) designation to San Joaquin County for the San Joaquin County Clinics (SJCC). That designation marked the culmination of a unique public-private partnership between San Joaquin General Hospital and SJCC, a private non-profit organization. SJCC operates eight FQHC-LAL clinics in San Joaquin County serving over 30,000 patients in the greater Stockton area. These services are located in Stockton, Manteca and French Camp serving primary care needs including OB/GYN, Pediatric and Adolescent, Family and Primary Medicine clinics.

The goal of SJCC is to provide quality, comprehensive and affordable Primary Medical, Pediatrics, OB-GYN and Women's Health services.
