

## Career Opportunity

# OCCUPATIONAL THERAPIST-SENIOR

## BE THE ONE TO MAKE A DIFFERENCE!

San Joaquin County Public Health Services-California Children's Services (CCS) department is seeking a motivated and dedicated professional to join their staff as an Occupational Therapist-Senior in the Medical Therapy Program unit. This is an excellent career opportunity for an experienced licensed occupational therapist who will perform occupational therapy evaluations and treatment planning in a Medical Therapy Unit (MTU) for children ages birth to 21 years with qualifying medical conditions.

The Occupational Therapist-Senior is an integral part of the CCS/MTU team, who will have the opportunity to:

- Work in a culturally sensitive team-oriented environment
- Use an advanced level of clinical skill while performing a variety of occupational therapy services for an array of disabling conditions
- Work in a diverse setting while caring for the occupational therapy needs of children in San Joaquin County

### -California Children's Services-

CCS is a statewide program that manages, directs, and pays for medical care, equipment, and rehabilitation when services are authorized by the program. Services can be authorized for children and young adults less than 21 years of age who have eligible medical conditions, and whose families are unable to pay for all or part of their care. CCS defines eligibility and selects the most qualified professionals to treat the child's CCS-eligible condition.

### -Medical Therapy Program-

The Medical Therapy Program (MTP) is a specialized program within CCS services that includes Occupational Therapy and Physical Therapy for children ages birth to 21 years with eligible conditions including: cerebral palsy, spina bifida, and muscular dystrophy. Therapy services are provided at outpatient rehabilitation units located in public schools in Lodi, Stockton, Manteca, and Tracy.

### SUBMIT YOUR APPLICATION TODAY!

The Occupational Therapist-Senior is the senior class in the Occupational Therapist series and performs skilled diagnostic and therapeutic occupational therapy techniques for a variety of disabling conditions.

Applications are currently being accepted on a continuous basis until the position is filled.
