## THE OPPORTUNITY

This is an extraordinary career opportunity to join a progressive and innovative County located in scenic Northern California. Placer County is an award-winning organization and a noted leader in the field of health and human services. The County seeks to attract highly qualified candidates for consideration that bring credibility, passion, and an innovative approach to the delivery of services to the community.

## COUNTY GOVERNANCE AND ORGANIZATION STRUCTURE

The County is governed by a five-member Board of Supervisors elected to four-year terms by voters within their respective districts. This governing structure has nearly all non-elected Department Heads reporting to the County Executive Officer. The County's budget for FY 2021/2022 is nearly \$1.2 billion with a staff of approximately 2,700 funded positions.

## HEALTH & HUMAN SERVICES DEPARTMENT

The consolidated Department of Health and Human Services (HHS) is a mission-driven organization responsible for a broad range of public health, behavioral health, human services, and animal services. HHS builds health and well-being in Placer County as leaders, innovators, and partners with our community to strengthen, support and protect all who live here. HHS consists of six divisions, including:

- Administrative Services
- Adult System of Care
- Children's System of Care
- Human Services
- Public Health
- Environmental Health and Animal Services

The HHS operating budget for 2021/2022 is approximately \$248.8 million with 764 positions. Approximately 159 of these positions are allocated to Children's System of Care.

## THE POSITION

Children's System of Care (CSOC) has a permanent, part-time (20 hours/week), position available in the Out-Patient Clinic program located in Rocklin and Auburn, California, with occasional service to clients in the North Lake Tahoe area via teleconference. The Child Psychiatrist is an unclassified position that receives direction from the Deputy Director of Health and Human Services—Children's System of Care, and the County's Chief Psychiatrist. The Psychiatrist performs responsible work in child psychiatry which includes examining clients and diagnosing mental illness; prescribing and administering psychiatric treatment; ordering laboratory examination and analysis; writing and adjusting prescriptions; reviewing reports, records interventions, and general progress of clients; consulting with other physicians, psychiatrists, practitioners, counselors, and other staff regarding on-going or problem cases; preparing reports and related correspondence; building and maintaining positive working relationships with coworkers, other County employees, and the public using principles of good customer service; performing related duties as assigned including providing stand-by coverage.

Placer County's CSOC is an over 30-year-old, highly collaborative and fully integrated child and family service organization. Unique in California for its structural and functional integration, CSOC has been celebrated for its capacities to reach underserved and vulnerable youth and families with comprehensive and timely healthcare. Under the direction of HHS, CSOC delivers a continuum of services to Placer families that encompass: Child Protective Services, Foster Care, Juvenile Probation, Mental Health, Substance Abuse Prevention, and Wraparound Services to youth and families. Partner agency staff are co-located with CSOC including Foster Youth Educational Liaisons, Family Resource Centers, outpatient providers, as well as Family Partners and Youth Advocates to ensure all services are peer supported. Placer County's "no wrong door" approach provides comprehensive services spanning multiple disciplines and agencies regardless of the agency door by which the family enters.
