THE POSITION
The Adult System of Care (ASOC) has a permanent full-time position available in our Out-Patient/Client Mental Health programs located in Roseville and Auburn, California. The Psychiatrist is an unclassified position that receives direction from the Medical Director and serves at the pleasure of the Appointing Authority having no specific term and no property right to continuous. The Psychiatrist performs responsible work in general psychiatry which includes admitting and discharging clients as necessary; examining clients and diagnosing mental illness; prescribing and administering psychiatric treatment; ordering laboratory examination and analysis; writing and adjusting prescriptions; reviewing reports, records interventions and general progress of clients; consulting with other physicians, psychiatrists, practitioners, counselors and personnel regarding on-going or problem cases; supervision and oversight of nurse practitioners; preparing reports and related correspondence; building and maintaining positive working relationships with coworkers, other County employees and the public using principles of good customer service; performing related duties as assigned including providing stand-by coverage. This position may also be required to provide occasional coverage for our on-site inpatient psychiatric hospital.

ASOC is an integrated division that provides supportive behavioral health, social services, and peer supports to those we serve. This division partners with agencies in Placer County to assist adults and older adults to achieve their optimal levels of self-sufficiency and independence. A full spectrum of mental health services, substance-abuse treatment, in-home support services, adult protective services, physical health and public guardian services are provided to more than 18,000 Placer County adults a year. This treatment continuum includes therapeutic intervention, peer support, health and wellness, case management, crisis intervention, skill development, medication services, and co-occurring services. In addition, disabled and dependent adults as well as those in crisis are protected through services in locked and unlocked inpatient and residential treatment programs. The programs include intensive clinic and field based services so that persons are able to remain successfully in the community and achieve recovery.

THE IDEAL CANDIDATE
The Department of Health and Human Services is looking for someone with outstanding communication skills, demonstrated ability to create and maintain a team atmosphere, and proven leadership in problem solving and decision making. The ideal candidate will have a history of candor, integrity, flexibility, diplomacy and credibility; demonstrated abilities to establish and maintain effective and productive work relationships with internal organizations and other public or private organizations and work as a member of an integrated services team.

In addition to the minimum education and experience, the ideal candidate will possess:

**Knowledge of:**
- Practices and principles of adult psychiatry
- Current in-patient hospital practice
- Rehabilitation therapies for adult mental health disorders, substance abuse treatment, and co-occurring disorders

**Ability to:**
- Examine, diagnose and treat mental health disorders in adults; coordinate with case manager or nursing staff and interpret laboratory analyses
- Evaluate clients with complex psychiatric issues
- Consult with clinic staff, provider staff, and primary care physicians as necessary for the treatment and triage of clients
- Provide medical direction to mental health staff as part of a clinical team
- Prepare and oversee the preparation of case histories, evaluations, diagnoses and maintenance of client records
- Work unusual and/or prolonged work schedules on occasion
- Attend mental health and clinic staff meetings as appropriate
- Provide testimony at court appearances when clients are involved in the legal system
- Accommodate the needs of the clinic to ensure urgent needs of clients are met upon request
- Supervise and support Nurse Practitioners and/or students

THE DEPARTMENT OF HEALTH AND HUMAN SERVICES (HHS)
By placing people first, HHS provides a unified system of quality services to safeguard the health and well being of the people in Placer County communities and to realize its vision to help keep children, adults, and families healthy, and to ensure that animals cared for and valued. Placer County HHS is dedicated to fostering a positive and community-based services approach between employees and our community—the Placer Model. In addition to reflecting innovation, the Placer Model is built on collaboration with many community and local agency partners and the foundational belief that the services provided must be research based, cost effective, and sustainable.
The Department consists of six divisions: Administration; Adult System of Care; Children’s System of Care; Public Health, Environmental Health, and Animal Services; and Human Services. These programs offer services throughout the County, with offices in the Auburn, South Placer, and the North Lake Tahoe areas. Services are offered on-site in other communities as well. In total, the Health and Human Services Department has 687 allocated permanent positions, approximately 51 extra help—temporary employees, and a fiscal year 2018/19 annual budget of $213.2 million.

Placer County’s commitment to local government services, innovative and effective management of the available resources and the outstanding professionalism and commitment of its employees has consistently resulted in quality based outcomes that are among the best in the state. HHS is committed to transformational management and consistently engages the best and brightest of its management team to identify and implement service redesigns that directly benefit residents, businesses, land development and management, schools, criminal justice system colleagues, and the broad array of community partners we are honored to work alongside. This commitment to service redesign allows the department to grow state and federal funding while reducing the general fund contribution both in real dollars and as a percentage of operating costs.

COUNTY GOVERNMENT & ORGANIZATIONAL STRUCTURE

The County is governed by a five-member Board of Supervisors elected to four-year terms by voters within their respective districts. The responsibilities of the appointed County Executive Officer (CEO) are defined in County Charter. Six County officials are elected at-large (Assessor, Auditor-Controller, County Clerk-Recorder-Registrar of Voters, District Attorney, Treasurer-Tax Collector, and Sheriff-Coroner-Marshall). The County’s budget for FY 2018-19 is $970.9 million with a staff of approximately 2,650.

VIBRANT COMMUNITIES WITH EXTRAORDINARY POTENTIAL

Placer County is an extraordinary community characterized by a healthy and diverse economy, attractive business environment, and residents who benefit from high quality educational, safety, and healthcare infrastructure, in addition to a wide variety of outstanding recreational opportunities. The government center of Placer County (located in Auburn) is well positioned 30 miles northeast of Sacramento, the State capital. The total population is approximately 380,000 in both the unincorporated and incorporated (Auburn, Colfax, Lincoln, Loomis, Rocklin, and Roseville) areas of the County. Encompassing 1,506 square miles, Placer County is part of the greater Sacramento region, which also includes the counties of El Dorado, Sacramento, Sutter, Yolo, Nevada and Yuba. Lake Tahoe is a short 90-minute drive from the western-most points of the county.

EMPLOYER OF CHOICE AND QUALITY OF LIFE

Meeting and exceeding community service demands requires a high-quality workforce that works collaboratively with its many partners and embraces innovative approaches. Placer County leadership is dedicated to supporting a high-performing workforce with a customer focus and commitment to continuous improvement.

Placer County is consistently ranked first for its quality of life and in the top healthiest counties in California. Home to Sierra College and William Jessup University, with plans for two additional universities to develop in the western part of the County, Placer also offers exceptional outdoor recreation opportunities and scenic open spaces. A wide range of housing options exist in the County including multi-family, small lot suburban and urban residential projects, ranchettes, larger rural residential properties and extensive farmlands with a mix of farming and ranching opportunities.

Outdoor recreation activities in Placer County are abundant all year long from hiking and biking, to horseback riding, rafting on rivers, snowshoeing and skiing. Placer County has a strong heritage as part of California’s Gold Country and is considered the Gateway to the Sierra.
