

## **Placer Legacy / Placer County Conservation Program Intern**

Placer County's Community Development Resource Agency (CDRA) is seeking a Student Intern to assist with the management of the [Placer Legacy Open Space and Agricultural Conservation Program](#) and the [Placer County Conservation Program](#).

**\$16.22 - \$20.26 per hour**

(limited to 28 hours per week and not to exceed 1,000 hours/fiscal year)

In addition to the general requirements for County Interns, and under the supervision of a Senior Planner and the Conservation Program Biologist, the CDRA Intern will have opportunities to:

- Conduct site visits to monitor conservation easements
- Write compliance reports
- Provide edits for technical reports and policy updates
- Learn biological field techniques (e.g. Residual Dry Matter measuring, bird surveys)
- Develop and update tracking databases for projects
- Contribute to the PCCP Instagram account
- Help with website updates

Knowledge/Skills Preferred:

- Background in Environmental Sciences, Wildlife Biology, Botany, GIS
- Microsoft Suite (strong Excel)
- GIS and/or Google Earth skills
- Database building
- Strong oral/written communication
- Editing
- Organization and attention to detail
- Comfortable working outdoors and walking long distances
