#### THE POSITION

This position is responsible for leading, overseeing, reviewing, and performing complex and professional land use and urban planning work, including:

- Current and long-range planning
- Implementation of the County's General Plan
- Coordination of special projects
- Drafting ordinances and resolutions
- Making presentations to various groups
- Reviewing complex zoning and development applications.

The County is looking for a candidate that not only has experience and a deep interest in planning, but one who is up to the challenge of working in a dynamic community that will require creative problem-solving, community engagement, and relationship building.

#### Minimum Qualifications:

- 3 years of increasingly responsible planning experience performing duties similar to Placer County's Associate Planner.
- Equivalent to a bachelor's degree with major course work in urban planning, regional planning, environmental planning, or a closely related field.

#### THE TEAM

The Planning Services team is a diverse group of professionals dedicated to strategic long-range planning and seamless current planning processes, within the Community Development Resource Agency (CDRA). We are passionate about creating thriving communities that balance progress with environmental stewardship and community well-being. Our mission is to shape the future by developing innovative strategies and implementing responsible land use policies.

#### EMPLOYER OF CHOICE & QUALITY OF LIFE
