THE POSITION

This position is responsible for the preparation, development, review, and processing of land use, housing, economic and environmental programs, projects, and activities for the eastern slope of Placer County. This division manages the processing of land use entitlement permits, including Tahoe Regional Planning Agency (TRPA) permits, and is also responsible for:

- Assisting the public in understanding and complying with adopted plans and regulations
- Coordinating with partner agencies and stakeholders on land use, housing, economic, and environmental policy, programs, projects, and activities
- Overseeing compliance with CEQA, NEPA, and other state and federal regulations.

To learn more about this division, please [click here](#).

Minimum Qualifications:

- 3 years of increasingly responsible planning experience performing duties similar to Placer County's Associate Planner.
- Equivalent to a bachelor's degree with major course work in urban planning, regional planning, environmental planning, or a closely related field.

EMPLOYER OF CHOICE & QUALITY OF LIFE

Placer County is an extraordinary community consistently ranked first for its quality of life. Placer is characterized by a healthy and diverse economy, attractive business environment, and residents who benefit from high quality educational, safety, and healthcare infrastructure. Placer is home to a wide variety of outstanding recreational opportunities and scenic open spaces, including nature's crown jewel of the Sierra, Lake Tahoe. From hiking and biking to horseback riding, rafting on rivers, snowshoeing, skiing, and visiting the Wine and Ale Trail, Placer County offers something for everyone to enjoy.
