

San Joaquin County Behavioral Health Services **MENTAL HEALTH CLINICIAN I**

DO THE WORK YOU LOVE!

San Joaquin County Behavioral Health Services is accepting applications for Mental Health Clinician I. This is an excellent career opportunity for the dedicated professional who understands the concepts of recovery, trauma focus treatment, linkage and referral, the ability to understand and participate using a multi-disciplinary treatment approach, and the ability to act as a liaison among the client, department, family, and community agencies. As part of the staff of over 700 professionals, mental health clinicians experience rewarding career prospects, including opportunities to:

- Practice in a diverse and challenging setting
- Be part of a team that is committed to providing excellent specialty mental health and substance use disorder services
- Have individual and group supervision provided to those needing to obtain full licensure, and administrative supervision to those already licensed

BEHAVIORAL HEALTH SERVICES

-Mission-

To partner with the community to provide integrated, culturally and linguistically competent mental health and substance abuse services to meet the prevention, intervention, treatment, and recovery needs of San Joaquin County residents.

-Vision-

To collaborate as a resilient team exploring changes, sharing ideas, striving to empower consumers, families, volunteers and care providers toward building hope, addressing disparities, and fostering wellness and recovery through individual strength-based treatment.

-Values-

The personal commitment of every individual contributes to the overall success and integrity of the organization, creating a caring, positive, fiscally responsible and productive environment.

San Joaquin County Behavioral Health Services

MENTAL HEALTH CLINICIAN I

THE DEPARTMENT

Behavioral Health Services (BHS) is a division of San Joaquin County Health Care Services and provides a array of mental health and substance use disorder treatment services, primarily for Medi-Cal beneficiaries in San Joaquin County.

TYPICAL DUTIES

- Interviews clients and relatives to collect and compile extensive case histories for use by medical staff in diagnosis and determination of treatment and for use by social service personnel in related case work
- Participates in diagnostic and technical staff conferences with other disciplines for treatment planning; interprets recommendations to clients and families
- Implements intensive treatment counseling with individuals, families and/or groups; may participate in collaborative treatment with professional members of other disciplines or other agencies
- Makes pre-release evaluations; evaluates suitability of environment to which client will be released; makes appropriate recommendations
- Acts as liaison among the client, department, family, and community agencies; interprets client's needs and problems; assists clients in adjustment to new situations
- Participates in training programs, including the teaching of diagnosis and treatment methods, conducted for public and private community and social agencies

For a complete job description, please visit the Human Resources website at:

www.sjgov.org/department/hr

Mental Health Clinicians serve our community through various programs, including:

- Adult/Older Adult Services
- Children and Youth Services
- Crisis Intervention
- Prevention Services
- Psychiatric Health Facility
- Transcultural Clinic
- Outpatient Clinics
- Substance Abuse Services

MINIMUM QUALIFICATIONS

Education: Graduation from an accredited school or university with a master's or doctorate degree in social work, counseling, psychology or other course of study acceptable to the State of California Board of Behavioral Sciences towards licensure as a Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT), or Licensed Professional Clinical Counselor (LPCC).

License: Must possess and maintain a valid California driver's license.

Special Requirements: Must possess and maintain current and active registration with the State of California Board of Behavioral Sciences as an Associate Clinical Social Worker (ASW), Marriage and Family Therapist Intern (MFTI), or Professional Clinical Counselor Intern (PCCI). Employees hired by the County after January 14, 2015, must obtain California licensure as a Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT) or Licensed Professional Clinical Counselor (LPCC) within three (3) years of appointment. Failure to meet these requirements may result in disciplinary action, up to and including dismissal from employment.
