

# San Joaquin County Employment Opportunity

## **Engineer V—Engineering Department**

### **Public Works Department**

#### **About the Position**

The San Joaquin County Department of Public Works is seeking a dynamic, team-oriented and progressive thinking individual to fill a senior level engineering position (Engineer V) in the Engineering Division. The Engineer V will lead in the planning, design, management and delivery of a wide range of projects and programs that improve and enhance the County's 1,649 miles of roadways.

This position will be responsible for planning, directing, and administering the work of an engineering unit by applying advanced engineering principles and practices to complex work problems; assign, train, supervise, and evaluate subordinate staff; establish and maintain effective working relationships; and communicate clearly and concisely, both orally and in writing.

#### **The Ideal Candidate**

The ideal candidate will possess strong leadership, technical and managerial skills with experience in public sector engineering projects. The candidate will have excellent interpersonal and communication skills to effectively manage relationships with staff, administration, consultants, federal and state agencies, community stakeholders, and elected officials. This position will be expected to provide clear, concise and informed recommendations to the Public Works Administration.

#### **About the Department**

The Public Works Department is dedicated to providing high-quality, fiscally responsible infrastructure and services that preserve and enhance the quality of life across our community and actively support the County's goals. Our department is a robust team of nearly 500 employees who are vital to the planning, design, construction, operation, and maintenance of essential County infrastructure including: roads, bridges, water, wastewater systems, flood control and solid waste systems. Many of our award-winning infrastructure projects have been recognized on the state and national levels. Our department strives to achieve positive customer experiences by serving them in a responsive, dependable, honest and fiscally responsible manner. We value the diversity of our team as a strength that allows us to better serve our diverse community.

#### **RECENT DEPARTMENT AWARDS**

- Duncan Road and Comstock Road Roundabout Project (Recognized by the American Public Works Association)
- Kennefick Road Flood Control Project (Recognized by the American Public Works Association)
- Pershing Avenue Improvements Project (Recognized by the American Public Works Association)

# Engineer V—Engineering Department

## Public Works Department

### Wellness

San Joaquin County is dedicated to providing its employees with a great benefit package and is interested in their overall well-being. Through our SJC Engage wellness program, San Joaquin County employees and eligible dependents are offered support in areas such as Physical and Mental Wellness, Professional Wellness, and Financial Wellness.

For additional information regarding the wellness program, please click to visit the [SJC Engage website](#)

### Application and Selection

The competitive process includes submittal of a completed San Joaquin County Employment application and Supplemental Questionnaire. Resumes will not be accepted in lieu of a complete application package. If a formal exam process is utilized, qualified applicants will be invited to participate in an oral examination interview which may include a practical exercise. The top-scoring candidates will be referred to the department for a hiring interview. To apply, submit a completed application and supplemental questionnaire on or before the final filing date.

**Final Filing Date: February 13, 2026**

To apply, visit our [webpage](#) or scan this QR code with your smartphone's camera.

Selected candidates must successfully pass a pre-employment drug screen and background as a condition of employment.  
Final appointment will not be made until these conditions are completed.

# Make San Joaquin County your new home!

A land of beauty, recreation and natural riches-from the waters of the Delta to the vines of the wine, San Joaquin County has it all. San Joaquin County boasts eight cities and some of the finest opportunities in the state for boating, fishing, camping, history-gathering, or just plain fun in the sun. Each city, as well as the unincorporated county areas, offers a unique opportunity to enjoy natural California beauty and nature, or music, arts and culture. Whatever your interest, it can most likely be found in San Joaquin County.

## Arts, Culture, and Recreation

The arts and culture provide a much-needed respite from everyday worries and the Haggin Museum, San Joaquin County Historical Museum, and Stockton Children's Museum are popular spots.

The Stockton Symphony, San Joaquin County Ballet, and Stockton Civic Theater provide important experiences for children and adults. The multi-cultural community offers a diversity of views and opinions in its art and culture, providing a wealth of knowledge about past and present on canvas and stage.

Over 75 languages are spoken within the region and there is richness in the blending of cultures and ways that creates an air of celebration about individual customs, foods and cultures.

San Joaquin County government provides nine community parks for boating, camping, and picnicking, swimming and organized sports. Annual family events include the Asparagus Festival, attended by thousands of fun-seekers from the County and beyond.

Individual cities and communities provide a host of other opportunities, from Lodi Lake Park and Nature Area to the Woodbridge Ecological Reserve. The County-owned and operated Micke Grove Park offers a zoo, rides and a historical museum to delight both children and adults. The San Joaquin Delta is one of the area's best kept secrets and offers some of the best boating in the state: more than 1,000 miles of waterways stretching from the Stockton Harbor to north of Sacramento and offering access to the San Francisco Bay.

## Education

From preschool to higher education, the County has it covered with an abundant array of public or private opportunities to learn and grow. The University of the Pacific, California State University, Stanislaus-Stockton Center, Humphreys College and Law School, National University, and the San Joaquin Delta Community College offer a wide variety of choices for educational opportunities. The County's 17 school districts provide families with a wide choice for children's educational development.

## Agriculture

The County is one of the most agriculturally rich regions in California. Milk is the leading commodity in the area. Grapes, eggs/chickens, walnuts, cherries, cattle, tomatoes, blueberries and silage round out the top crops, with an abundance of other produce. There are over 85 wineries with over 125 different varieties represented within the Lodi Appellation offering opportunities for tasting and special events.

Weekly farmers markets throughout the County offer a cornucopia of fresh fruit and vegetables. Fruit stands and pick-your-own produce farms dot the countryside.

## Housing

Housing is plentiful in San Joaquin County and is affordable when compared to other nearby areas.

Housing ranges from new developments to historic homes found mostly in central Stockton and downtown Lodi. San Joaquin County is a place where families can grow, learn, and experience the nature and beauty of the California landscape while benefiting from the unique opportunities - cultural, recreational, and educational - that the area provides.
