Emergency Medical Services Agency
About the Department

The Board of Supervisors created the San Joaquin County EMS Agency under authority of the California EMS Act to plan, implement, and evaluate the emergency medical services system, consisting of an organized pattern of readiness and response services based on public and private agreements and operational procedures.

The EMS Agency provides medical control of the EMS system while serving as the lead agency for prehospital care, trauma planning, and other specialty care systems. The EMS Agency approves and oversees provider and hospital CQI programs, leads peer-to-peer CQI activities, manages individual and provider performance improvement plans and investigates citizen complaints, unusual occurrences, and conducts EMS personnel formal investigations.

The EMS Agency maintains an on-call EMS Duty Officer 24 hour a day/ seven days a week to respond to mutual aid requests; coordinate disaster medical operations and to assist hospitals and providers in managing the EMS system. The on-call EMS Duty Officer also serves as the medical health operational area coordinator designee under the direction of the EMS Administrator.

Mission Statement

*The San Joaquin County EMS Agency’s mission is to ensure the efficient and effective delivery of emergency medical services and disaster response for the citizens and visitors of San Joaquin County.*
